CONGRATULATIONS

Your new Arrow writing instrument is the product of a long tradition of Parker quality-craftsmanship-dating from 1888. Follow the simple filling instructions and your Parker Arrow will be a source of pleasure and provide a lifetime of writing satisfaction.

FILLING INSTRUCTIONS FOR YOUR PARKER ARROW

BALL PEN The Arrow ball pen comes with the Parker refill installed. To change the refill, just unscrew the front end from the cap. Remove old refill and replace it with a new refill. Screw front end and cap back together.

PENCIL The Arrow 0.7mm pencil comes ready to write. To reload your pencil, eject the old lead by turning the cap clockwise until it stops. Then turn cap counter-clockwise until it stops. Insert new lead into the tip and push in. Turn cap clockwise until lead projects slightly. Press point gently against paper to seat lead.

ROLLER BALL PEN A roller ball refill is located under the gift box pad. To load your pen, *pull* off cap and *unscrew* the front end from the barrel. Insert the refill into front end. Screw the barrel and front end together again so they are tight.

FOUNTAIN PEN Your pen uses the Parker Super Quink ink cartridge located under the gift box pad. *Pull* cap off pen, *unscrew* the barrel from front end of pen. Insert the ink cartridge into front end of the pen, push in firmly until you feel the cartridge seat itself. Replace the barrel.
